1. 2009/10 Season So Far

We are over half way through the current season for most teams and all of the teams are competing well in all divisions.

This year we have a total of 12 Teams competing in League and Cup competitions from U11 through to the Ladies team. As is normal for this time of year, managers are frantically trying to ensure players are signed on and they are all fully kitted out!

In addition to the teams that have entered the leagues, the Academy continues to grow. (Any interested sisters, nieces and friends are welcome to the training on Saturday Mornings as we want our academy to be the biggest and best in Leicestershire)

Our U9 and U10 teams unfortunately do not have a league to enter. Whilst we can form 3-4 teams from our squads in this age bracket, the other teams in Leicestershire do not have enough players. More details below.

2. U9 & U10 Fixture Information

Oadby & Wigston are currently entering Under 9's and Under 10 Teams in to the Friendly Tournaments which are being run by County FA.

The games held so far have given all of the players the fun and excitement of football as a team for the first time.

The league will run on the format of everyone plays each other every month and each month there is a winner. This will allow new teams to enter the league as we go along and make it accessible as possible. Teams will be made up from mixtures of U9's and U10's where possible.

We are looking for more players to bolster the squads so please get your family and friends to come down to training in Saturday mornings.

Remaining Fixture Dates

1. Saturday 27th March 10

2. Saturday 24th April 10

Football Fact!

AC Milan was founded by Englishman Alfred Edwards in 1899. They still keep the English version of the name Milan rather than the Italian 'Milano'

3. Useful Club Information

The best way to find out about your club is via our website.

This has lots of useful information about your team, club and various useful links including up to date fixture lists, league tables and results.

Our website address: www.oadbyandwigstongirls.co.uk

Player zone: www.oadbyandwigstongirls.co.uk/players_zone

From the website you can also link into the Leicester City & County Girls League website or type: www.leicestergirlsleague.co.uk. If you click onto your relevant age group you will be linked through to your league tables with all of your fixtures and results.

4. Goalkeeper Coaching

The club are please to announce that we now have an FA qualified goalkeeping coach on board. Andy Stubbs is now running training sessions on Wednesday evenings from 6pm till 7.30pm.

The sessions have been well received to date and we would encourage all of our goalkeepers to attend these sessions.

If you wish to attend, please contact Andy on 07588 593918.

Andy will also be around on some Saturdays for those who can not make Wednesdays.

5. Subscriptions and Funding

As you are aware, we are a self Funding club and therefore rely on players paying monthly subscription fees. The charges are £5 per month for the Academy, £10 per month for U9/10's competing in tournaments and £15 per month (x10) for all other teams.

What do the fees cover???

Playing kit & Tracksuits

Player registration

Ground maintenance (Grass cutting, pitch marking etc)

Training equipment (Footballs, cones, goals, bibs etc)

Referee and pitch fees

Ground rental and service charges

Therefore it is essential **all** players pay subs on time. If subs are overdue it could prevent players from being available to play for your team. Payments must be made via standing order – contact your manager for details. If you are having difficulties paying, please speak to the committee.
