WE ARE LOOKING FOR NEW SPONSORS FOR THE 2009/10 SEASON. PLEASE CONTACT YOUR MANAGER OR THE COMMITTEE FOR DETAILS OF HOW YOU CAN HELP

1. Community Charter Status Awarded

The Club have been awarded the **Community Charter Standard Award** by the Football Association.

This the highest honour for a Grass Roots club.

Having previously held Charter Standard status the award recognises the Club as the centre of the community in giving football opportunities to players of all ages, race, religion, gender and ability.

The FA Have this to say about the Award:

Community Clubs, the pinnacle of the club development pathway, will be those that have a high quality, multi-team (minimum of 10 teams) set up with excellent social, training and playing opportunities for all. As such, the number of Community Clubs is one of the truest measures of success for The FA Football Development strategy.

The Club has achieved this award along with Magna 73 (our male club at our ground). Congratulations to all involved.

2. Ground Development

There are on going discussion with the Highways Agency to get outline approval of a new access road to our proposed new facility.

We will soon be drafting firm details for the new clubhouse and grounds and we will soon start raising funds to build our new facilities.

One of the benefits of being a Community Charter Standard Club is that we can apply for larger funding from the likes of the Football Foundation. This award has shown that typically you get a larger funding contribution to your ground development if you are a Community Standard Club. Fingers Crossed!!!

3. Presentation Evenings

The presentation evenings were all a wonderful success and a great way to celebrate each and every player's commitment and dedication to their team and to our club.

Congratulations to all those winners on the night.

Football Fact!

In 1863 at Cambridge University, a group of Englishmen formed the Football Association and invented the modern game of football.

4. 2009 Tournament

This year's tournament was a very high quality event and we had a high turn out of teams entered across all age ranges - including a team from Norfolk!

The Saturday Tournament was slightly damp to say the least but this did not stop all of the teams from playing some great football in the U10, U12 and U14 age groups - of which we had 7 Oadby and Wigston Teams represented.

The U10's finished runners up in their Tournament and the U12 Bullets won their thrilling final against a Leicester Foxes team who have been unbeaten for as long as we can remember.

If Saturday was damp – Sunday's Tournament was played in what can only be described as Monsoon Season.

Players were soaked to the skin all morning but they carried on playing and it was great to see such commitment and effort from players and supporters alike!

We had no finalists on the Sunday, and unfortunately we had to cancel the U18/Womens Tournament due to the weather. We hope to have this re-arranged in August!

Thank You to all the volunteers who helped over the two days. In all we raised over £1200 for the club which was a fantastic effort.

5. 2009 Open Day

On Saturday 20th June we had our open day to attract new players to the club.

We had players of all ages, ability and experience which was exactly what our open day and Club is all about.

Hopefully those girls enjoyed themselves and we look forward to them being an integral part of our Club.

Please remember we are always looking for new players of all ages and ability so bring as many of your friends down to a training session.

Thanks to all of the coaches and volunteers who helped make the day a enjoyable!

Upcoming Events

Club Working Day

Calling all parents and helpers.

We have a working day on Saturday 4th July to carry out clubhouse and ground maintenance.

As we reach the end of our season we need to carry out some essential repairs and maintenance and we have selected this date to carry out the work.

Please can you provide a few hours of your time to help out.

Bring some spare clothes suitable for gardening, cleaning and painting.

Please can we have some new faces help out.

Rather than dropping off your child on the Saturday morning and going on the supermarket run, stay and help!

If you have any tools, paint brushes, forks, spades, rakes (Petrol strimmer??), please bring them down and we can set you a task! Bring the family!

Starts at 10am but we will be working for a majority of day.

Many hands make light work so please help!

Player Registration Forms

Next seasons registrations cards are now available. If you have not had your cards to fill in, please do so asap as we need to have all players registered by mid August at very latest to ensure we have enough players registered for each team for the start of next season. Speak to your manager if you are unsure.

6. Latest Team News

U10 United

After winning the League, the girls went after a league and cup double in the League Cup Final.

The girls did not disappoint and won 2-1 in the final.

A fantastic effort from the team playing in a girls league for the first time.

U11 United

United finished joint top of the League with Asfordby this season. Having won their last three games of the season.

A League decider was played and unfortunately United lost to Asfordby, leaving them as Runners up for this Season.

Next season they will be playing in the U13 league having opted to go up to 9 a side a year early.

U11 Dynamo

The early pace setters this season finished mid table. A good season all round and they finished runners up in the recent Westfield Tournament. Mike and his team have already started to strengthen the squad for next year for a push towards the League Title.

U12 Bullets

The Bullets finished third this season and were runners up in the Cup.

The highlight had to be winning against the Leicester Foxes in the final of the Tournament which must give them the confidence to push on next season in the 9 a side format of the game.

U12 Snipers

A very good season of development for the team in what is a very high quality age group. Some tough games, however they were not outclassed very often and with the extra space available at 9 aside the team will be ready to come out fighting in 2009/10.

U12 United

The so called 'development team' of the age group who have grown together as a squad. By the end of the season they were no longer a development team but a strong and organised outfit. A fantastic showing in the OWGFC Tournament proved the girls can handle the more experienced teams and give them a fright. The team should be proud of their performances and can look forward to competing against the stronger teams next season.
